Instructor for fiddle or violin, guitar, and mandolin

Hello, my name is Doug Fleener. I am an accomplished musician and great teacher. I have a bachelors degree in Commercial Violin from Belmont University. In college, I was fortunate to study with some of the world's best musicians including: Buddy Spicher, Billy Contreras, Elisabeth Small, Daniel Carwile, and others. I am particularly known in the fiddling contest community, having claimed many state and national championship titles.

I specialize in Country and Bluegrass music, but I am well versed in many genres. I performed for four years in both the Kentucky Allstate orchestra and the Belmont University symphony orchestra.

Having played in numerous bands as a fiddler in the Nashville, Portland, and the Eugene areas, I excel at improvisation and can easily show students what is needed to perform in live bands.

I enjoy sharing my love of music with others. I can teach all skill levels, beginner to advanced, and people of any age.
